

SAFATEX SL

ATEX LED 370 Lumen Searchlight. Zone 0 and mining approved.

The NightSearcher SAFATEX SL is part of the NightSearcher SAFATEX ATEX portable range of LED lighting. It is UL, IECEx and ATEX certified as well as CE, RoHS and REACH accredited. It is approved for use in mines and certified to ATEX Zone 0 for gas.

The SAFATEX SL is a tough searchlight with a choice of light outputs, 370, 112 and 19 lumens. It features a convenient handle mounted switch which switches on and off the 370 lumen wide angle beam. The state of the art optics and reflector ensure a bright even spread of light.
